## GENERAL BUILDING PERMIT NOTES

1. Residential Building Permit review may take up to **15 business days** upon receipt of a complete application pursuant to the PA Uniform Construction Code.
2. Commercial Building Permit review may take up to **30 business days** upon receipt of a complete application pursuant to the PA Uniform Construction Code.
3. Permit application fees are due at the time of the application. Permits will not be reviewed until the appropriate fees have been paid.
4. All additional fees must be satisfied prior to release of permit(s).
5. Generally, stamped and/or sealed plans prepared by a design professional licensed in the Commonwealth of Pennsylvania are not required for residential building permits. However, under certain circumstances, the municipality's Third-Party Inspection Agency may require building plans and specifications to be stamped and/or sealed by a design professional licensed in the Commonwealth of Pennsylvania. This would typically apply to non-conventional type construction or structures.
6. Square footage will be verified, adjustments noted, and cost adjusted accordingly during plan review. Square footage is calculated on the industry standard square footage basis measured outside-to-outside dimensions of all levels of the structure, and shall include basements, bays, hallways, stairways, utility/mechanical rooms, storage rooms, lobbies, attached garages, foyers, elevators, decks, covered patios, porches, and attics that have a minimum headroom height of six feet.
7. Consultation, site visits and/or attendance at meetings with applicants, municipality officials or Staff shall be billed at the plan review hourly rate with a 1 hour minimum.
8. Fees for apartment building or greater than 2-family dwellings shall be calculated using the Commercial Building Permit Fee Schedule.
